HIKE POSTPONED  
TO NEXT SATURDAY

Blues Company Will Try Again.  
Many Will Go to Gettysburg.

Old Jupiter Pluvius having frowned upon the intention of Company A, Richmond Light Infantry Blues, to have a hike last Saturday from Richmond to Drewry's Bluff, another attempt will be made next Saturday. The members of the company did not at all relish the idea of sleeping on the drenched ground in their shelter tents. The company will leave the city Saturday afternoon in heavy marching order, which means about all that a man can carry for a long distance tramp. The night will be spent at Drewry's Bluff, the boys returning Sunday. The weight of the equipment is about sixty pounds.

To-night, at the weekly drill, every man in Company A will be canvassed for the purpose of seeing how many will go to the camp of manoeuvres at Gettysburg. It is expected that all of the commands in the battalion will make a good showing in attendance.

**Final Hop of Season.**  
[Special to The Times-Dispatch.]  
Alexandria, Va., June 13.—The students at the Episcopal High School gave their final hop of the season to-night at McBurney's Hall. The affair was attended by a large gathering of students and their friends, among them being many from out of the city. The closing exercises of the school will be held at that institution to-morrow afternoon.

TEN AMERICAN AND EUROPEAN AWARDS  
SAUER'S  
THE BEST FLAVORING EXTRACTS  
BY EVERY TESTTO-DAY'S SELECTION  
PERFUNCTORY ONEExcept in Washington Ward,  
Democrats Have No Op-  
position.

In all of the wards of Richmond on the hither side of the muddy James to-day the municipal election will be without interest. No candidates save the Democratic nominees are on the official ballot or will be voted for, and as a consequence there will be no incentive on the part of aspirants for office to get the voters to the polls. Only those will vote who happen to think about it.

All saloons closed at 6 o'clock yesterday afternoon, not to reopen until 6 o'clock to-morrow morning.

The polls open at 4:45, closing at 7:30. It is presumed that only a short time will be required at any precinct for the counting of the vote.

However, in Washington Ward, where three independent candidates, one for the Board of Aldermen and two for the City Council, have filed their names in opposition to the Democratic nominees, there is some interest, and the vote is likely to be large. It is stated that the Republicans of the Southside will vote for the most part for the independents in the hope of securing the defeat of some of the Democrats. Those who are opposing the party ticket, however, are themselves Democrats.

Republicans who vote in the other wards must write names on the tickets or else vote for Democrats.

**Contract for Boiler Shop.**  
[Special to The Times-Dispatch.]  
Spencer, N. C., June 13.—A Lynchburg firm has been awarded a contract for the erection of a new brick and steel boiler shop in Spencer for the Southern Railway Company. The building will be modern in all respects, two stories high, constructed of steel, incased in brick and equipped with the best machinery known to modern railroad shops. The cost of the building has not been given out, but it is estimated at about \$200,000, including equipment.

## MOORE GIVES HIMSELF UP.

Is Charged With Having Caused Death of Frank Howell.

[Special to The Times-Dispatch.]  
Lexington, Va., June 13.—With rewards of \$100 by the Nelson county supervisors, and \$100 by Governor Mann offered for his capture, and the county and local law officers on the alert to find him, John Moore, who disappeared a month ago, and was charged with the murder of Frank Howell, of this county, has surrendered himself to the authorities here, and been placed in prison. Howell died suddenly four weeks ago, and an autopsy revealed a quantity of strychnine in his stomach. Moore, who was charged with having administered the poison, disappeared, and no trace of him was found until he gave himself up. He refuses to talk about the case until he is given a hearing in court.

## City Election in Alexandria.

Alexandria, Va., June 13.—An election will be held here to-morrow, when four members of the Board of Aldermen and eight members of the City Council, all Democratic nominees, will be elected without opposition. The indications are that a very light vote will be polled.

SPEEDWELL CAR  
ENTERS PROTESTJohn Alsop and Howard Wagner  
Claim They Were Illegally  
Penalized in Endurance Run.

Because of the protest of John B. Alsop and Howard Wagner, of the Speedwell Motor Car Company, who assert that their Speedwell was illegally penalized in the Times-Dispatch North Carolina endurance run, the awards of the prizes will be postponed until the decision of the referee or the American Automobile Association is announced.

The committee penalized the Speedwell one point each for two motor stops and eighteen points for being eighteen minutes late at Lawrenceville. The Speedwell owners claim that their motor was stopped once for a frightened team and the second time for waiting for the pilot car to move on. They deny that they were late at Lawrenceville, asserting that they were exactly on time.

The letter from Referee Samuel Atkinson advising the Virginia-North Carolina endurance run, June 7, 8, 9, 10.

I respectfully ask that I be allowed a reasonable time in which to file evidence in substantiation of my protest. Respectfully yours,  
S. T. ATKINSON.  
Referee Virginia-North Carolina Endurance Run.
